A G D Am D
you gave up your one-eyed cat, still makes you sad, but i'm allergic
you gave up trips to the beach, you used to go every week to get some surfing
you cut back on a daily routine of chocolate ice and three french presses
you gave up playing solo gigs to sing with me, we sound much better

B F2 C/E Am7 D7
i didn't mind much giving it up, cause i got even more of you

C G D Em7 B7

A2 G D Am D
you gave me a diamond ring, on your knee in a puddle
you gave me your hand and trust, your very love and that was crazy
you gave me your confidence of faithfulness, when we're old and wrinkled
you gave me a kiss and a smile, a 'yes, i will be yours'

B2 F2 C/E Am7 D7
i'll never mind much giving you my love, i'll get even more of you
