

## plans for us

tempo 74 | 4/4 | straight

**intro:** A C#m(add6) C#m(add6) D(with a B and C# added)

### **verse 1:**

A C#m C#m D  
tears in eyes because she wonders where her gift has gone  
fears in sight because it seems that they will not return  
we're far from home and we can't seem to find a decent reason  
why the One we call our love would put us in this season

### **prechorus:**

A C#m C#m D  
we can make believe like we are satisfied  
we want to taste and see the plans, You have for our little lives

### **chorus:**

A E/G#  
plans for us to prosper, far away from harm  
F#m D  
and You will come and answer, when we pray to You our God  
A E/G#  
plans to give us hope a future in Your arms  
F#m D (back to intro/verse)  
You'll be found by us when we seek You with all our hearts.

### **verse 2:**

You gave this song; You give so much and we do not know why  
trust in You is all we can do, trust that You'll provide direction  
these songs we sing seem vain because this waiting takes more time  
patience give to us o Lord to wait until You guide

### **prechorus:**

**chorus:** all of our hearts before bridge (A C#m C#m D)

### **bridge:**

A E F#m D  
we were angry with You and were tired of You feeling so far away  
shaking our fists at your face wondering where is the grace  
You promised, You said You'd pull us through  
Bm7 A/C# D Esus4  
and i'm told, that it's not Your fault You haven't moved.  
Bm7 A/C# D Esus4 E  
but still, i can't find even a glimpse of You...

### **prechorus:**

**chorus to interlude(2x):** A E F#m D

**outro:** (same as intro)
